

Executive Summary

Scout	Isaac (Teddy) Bucksbaum, Troop 9 Wilmette
Reason	Eagle Project
Project	Computer and Electronic Recycling

1. First I contacted PC Recyclers & Rebuilders to ask if I could do a recycling collection project and donate what I collected to their cause.
2. I acquired the proper permissions to use the parking lot of Trinity Methodist Church in Wilmette, with the help of Mr. John Moore, Troop 3, Scoutmaster.
3. Planned and wrote project related materials:
 - a. Planned and developed the web site www.TeddysEagleProject.org
 - b. Wrote the announcements that I planned to place in business windows
 - c. Wrote the material to hand out to each customer.
4. At a Troop 9 Court of Honor I announced the date and time of my Eagle Scout project
5. I walked from business to business to put announcement-flyers in their windows
6. On Friday, June 21, 2012
 - a. Collected traffic cones and safety vests from Ms. Susan Gatto.
 - b. Stopped by the troop room to get the First Aid bag and 5 gallon water coolers.
7. I rented the U-Haul Truck for the evening before the project
 - a. Unable to pick-up the truck as reserved because they would not rent us the truck for the whole weekend.
 - b. Call U-Haul and rented a truck for the weekend from another location.
 - c. My father drove to the rental location and rented the truck on Saturday morning.
8. Project date, Saturday, June 22, 2012:
 - a. Set up a shelter and table with a first aid kit, fliers, receipts, lemonade, and water.
 - b. Volunteers show up (at varying times though out the project)
 - c. As each volunteer showed up I gave them each one on one instructions on How to work with each customer and the process to handle the donations
 - d. As customers drove in and donations arrived
 - i. We staged donations on a tarp from the cars
 - ii. We then loaded truck from the items sitting on the tarp.
 - iii. The truck gets filled all the way up.
 - iv. For lunch we provided Dominos pizza for the volunteers
 - e. After collections ended, we cleaned and policed the area.
9. On Monday, June 24, 2012, with my father driving the truck
 - a. We took material to Genesis Recycling, material that PC Recyclers would not take
 - b. The majority of material and computes we tool to PC Recyclers & Rebuilders
10. I cleaned the truck and we returned the truck to the rental location.
11. Finally, returned other items
 - a. Traffic cones to Ms. Gatto
 - b. Returned troop items to the troop room.

Thank you,

Teddy Bucksbaum
